WELCOME

Dear potential board member

We have two exciting opportunities to join the Newport Live Board of Non Executive Directors as a result of long serving members retiring from the board.

We need people with expertise, energy and ambition to assist us to achieve improvements to the health and wellbeing of the people and communities of Newport. We deliver an exciting combination of services across sport, leisure, theatre, arts, culture and wellbeing in Newport, as well as regionally and nationally across Wales and the UK. We deliver coaching and participation opportunities from grassroots to professional performances and events at the highest standards.

To help us continue our success as we drive the organisation forward, we are looking for Trustees who are willing to volunteer their time, expertise and experience to help our communities and who will embrace and share our passion, mission, vision and values.

We are fortunate in having a first-class workforce who provide exceptional customer service and go the extra mile, but who would welcome your advice and support in their personal development to improve the organisation and the services that we provide.

Amongst other skills we are proactively seeking new Board Members with experience and insight into sustainability, human resources, law, marketing and sales.

In return for your contribution on a voluntary basis, we promise that you will enjoy being part of a charitable organisation which is striving to help the community become happier and healthier and will give you the opportunity to make new friends, meet some interesting people, expand your horizons and make a real difference.

Newport Live recognises and embraces equality, diversity and inclusion. We welcome and encourage applications from people from the global majority, women, young people, and people from the LGBTQIA+ community.

If this opportunity excites you, I would be delighted if you could complete a short expression of interest in order so that we can learn a little more about you and the contribution you could make to our charity.

Kevin Ward
Board Chair
